## Recognition Scheme Annual Standards Event

**13<sup>th</sup> August 14:00 to 16:00 free and over Zoom**

### Creativity

This year's Annual Standards Event will look a little different to previous year's and will be in the style of a conversation café. After a short introduction, attendees will split into rooms to discuss an aspect of creativity. Attendees will be able to explore two of three different topics. After the two cafes we will come together to discuss what we have learned.

The event is by invitation only, so **please request your invitation by Thursday 6<sup>th</sup> August** at the latest to [jenna@cosca.org.uk](mailto:jenna@cosca.org.uk)

Proposed topics:

How, as organisations, can we find ways to work more creatively to deliver services to clients and service users?

How can we encourage counsellors/ counselling skills workers to practice more creatively?

Why do children require an especially creative approach to counselling and counselling skills?
