

## Free Supervision

- Would you like to have some extra supervision?
- Do you think you could benefit from one session per month starting in January through until May?

This year I completed the ACT, COSCA validated Counselling Supervision training and am looking for a supervisee to enable me to complete the final assignment.

I am a person-centred counsellor and I am submitting my COSCA accreditation in March. I work with a range of clients, including peri-natal, LGBTQ+ and <25s experiencing anxiety about the past, present and future, in my own practice.

If you'd like to discuss this further, please email me at:

Many thanks,
