

## **Trustee Opportunity**

Avenue is a charity that provides specialist support to families and individuals across North East Scotland. Our team has a wide range of skills and expertise and we work with families and individuals to help them to overcome obstacles to wellbeing and find ways forward through the challenges that life can bring.

As Avenue continues to grow and to meet the increasing demand of our service, we are looking for Trustees to join our existing Board, providing leadership and direction for Avenue. The Board's role is to secure Avenue's long-term sustainability, to oversee the legal, financial and operational management of Avenue, and to ensure it meets the charitable aims set out in its constitution. As a trustee, you will share formal responsibility for the charity and must act in its best interests, regardless of how you are elected or appointed.

We are particularly looking for Trustees with the following knowledge and expertise: Charity Governance; Safeguarding and Child Protection; Fundraising; Marketing and Promotion; Social Care and Health (in particular Mental Health).
